# Little Adventurers Summer Camp Themes

Mater Christi School | 50 Mansfield Avenue | Burlington, VT 05401 | 802.658.3992 | www.mcschool.org

## Session 1: June 24<sup>th</sup> - 28<sup>th</sup>

### Walk With Dinosaurs

Go back in time to when giants ruled the Earth. Our little paleontologists will learn about dinosaurs and the world they lived in. We will dig for “fossils”, make volcanoes and construct our very own favorite dinosaurs, perhaps even discover new ones.

## Session 2: July 1<sup>st</sup> - 5<sup>th</sup> \*NO CAMP JULY 4TH\*

### Explorers Week!

We will start our Adventures Camp learning about different explorers to our region. Campers will learn about a historic discoveries in Vermont and New England and what skills are required to make it as an brave explorer. We will travel to Burlington parks to practice our new tracking and mapping skill. We've also learned there's buried treasure to find as well.

## Session 3: July 8<sup>th</sup> - 12<sup>th</sup>

### Our Lake Monster

This week our campers become biologists as we learn about L

ake Champlain's greatest guest. We'll also learn how the Lake led to the growth of Burlington. We'll play games that help us learn about our natural world focusing on local plants, trees, animals and more. We'll even attend a Lake Monsters game at Centennial Field to see Champ in action!

## Session 4: July 15<sup>th</sup>- 19<sup>th</sup>

### First Responders

Camp is surrounded by first responders helping people all around Burlington and beyond. This week we will explore our favorite local heroes and learn some of the skills required for each job. There will be a focus on safety and how to respond in age-appropriate ways to different emergencies. There will be many visitors too!

## Session 5: July 22<sup>nd</sup>- 26<sup>th</sup>

### Sports Mania

Every camper joins the team during this exciting week of sports mania. Each day will be filled with different groups challenges where campers work together to accomplish their GOAL! We'll be combining multiple sports daily all while working on activities that focus on being a great teammate and building skills for the future.

## Session 6: July 29<sup>th</sup> - August 2<sup>nd</sup>

### Theater Arts

During this week our campers will learn to perform on stage and what it takes to truly be in theater. Campers will visit different performance spaces around Burlington. We will construct our very own theater space and play with props and costumes. All the world's a stage and the campers are the actors.

## Session 7: August 5<sup>th</sup> - 9<sup>th</sup>

### Let it Grow

Every summer we like to visit local gardens and growers. We also like to grow and cultivate our own veggie garden right here at camp. During our week together we'll visit the Intervale growers, learn about how healthy gardens grow and learn why trees and plants are important to our world. We will also learn about bees and their very important job.

## Session 8: August 12<sup>th</sup> - 16<sup>th</sup>

### Where the Wild Things Are

Our Junior Scientists will join us as we travel around the world learning about different animals. Each day we will focus on a new and exciting habitat from the rainforest to the deserts. Area parks and trails will allow us to experience many of these animals in their natural habitat.
